

CSI DMC promotes Ainsley Onstott, CMP, DMCP

CSI DMC is proud to announce that Ainsley C. Onstott has been promoted to General Manager of our Boston office. In this new role, Ainsley will be responsible for overseeing the entire Boston team – including our satellite office in-house at the Westin Boston Waterfront. Pulling from her extensive experience as the Director of Event Management, she will remain up to date on the latest protocols and systems, coaching and supporting the development of all departments. Ainsley was one of the integral players involved in building and strengthening the Boston team when CSI acquired former destination management company, DPI Events. Starting as a small but mighty team, she has helped grow the Boston office into a group of 17 highly talented professionals that offer exceptional event services across the entire New England region.

Ainsley's favorite part about her job has always been the people she works with, so it is important to her to bring that positive energy and eager-to-learn attitude to work every day. Ainsley expresses how she is, "so lucky to work with a passionate and dedicated group of creative event professionals, many of whom have become close friends." Having undertaken programs for over thousands of people and with an astounding 15-year repertoire in venue management, catering, hotel sourcing, and association planning, we are excited for Ainsley's leadership in Boston. Please join us in congratulating Ainsley on her well-deserved promotion to General Manager!
